Assessing Philosophical Authors and Texts from Herculaneum and elsewhere on Early Stoicism
Insights into ancient logic, physics, and ethics towards a new von Arnim

University of Turin, Department of Historical Studies
Research Project in Herculaneum Papyrology and Hellenistic Philosophy

Chrysippus, On Providence *Books 1 (PHerc. 1421) and 2 (PHerc. 1038)*

Introduction, Critical Edition, and Commentary

This project aims to provide a new critical edition of Chrysippus' treatise *On Providence*, transmitted by *PHerc. 1421* (Book 1) and *PHerc. 1038* (Book 2).

The work will be equipped with a papyrological and historical-philosophical introduction, an English translation, and a running commentary.
